

## Newby and Scalby Primary School

### Summer Challenge 2021

#### \_\_\_\_\_’s Scavenger Hunt

Please note that the scavenger hunt will be used as the starting point for work in September. Please try to collect as many of the items as possible and take a photograph of them all if you can. Glue the photograph to the back of the sheet or draw the objects.

The Challenge	Write about what you found
Something found in the darkest corner of a room that you don't often use	
Something that costs less than 50p	
Something that is really odd	
Something that no-one else in the class will have	
Something that is the shape of a square	
Something that makes you very happy	
Something that has no bends	
Something that you found in the back of a kitchen cupboard	
Something that you'd like to give to everyone in the world	
Something that makes a quiet noise	
Something that you have re-used	
Something that smells sweet	
OPTIONAL EXTRA – Enjoy a book from Newby and Scalby Library.	

*Mr Kirkham-Knowles (Scavenger-in-Chief)*

*Please bring this checklist on the first day of term.*
